1 Plaintiff/Counterdefendant Synvasive Technology, Inc. ("Synvasive") has filed with the Court  
2 a Motion to File Documents Under Seal and a Notice of Filing Sealed Documents. As set forth in  
3 Synvasive's Motion to File Documents Under Seal, Synvasive has lodged the following documents  
4 with this Court:

- 5 1. Plaintiff Synvasive Technology, Inc.'s Memorandum of Points and Authorities in  
6 Support of its Motion for Partial Summary Judgment of Infringement of the '353 and  
'253 Patents;
- 7 2. Declaration of Matthew R. Hulse in Support of Plaintiff Synvasive Technology, Inc.'s  
8 Motion for Partial Summary Judgment of Infringement of the '353 and '253 Patents;

10 Motion for Partial Summary Judgment of Infringement of the '353 and '253 Patents.

11 This motion is made on the basis that the exhibits to the Declarations of Matthew R. Hulse and  
12 David A. Dornfeld in Support of Synvasive's Motion for Partial Summary Judgment of the '353 and  
13 '253 Patents and the text of the Memorandum of Points of Authorities that refer to the exhibits have

The following documents are hereby ordered sealed:

1. Plaintiff Synvasive Technology, Inc.'s Memorandum of Points and Authorities in Support of its Motion for Partial Summary Judgment of Infringement of the '353 and '253 Patents;
2. Declaration of Matthew R. Hulse in Support of Plaintiff Synvasive Technology, Inc.'s Motion for Partial Summary Judgment of Infringement of the '353 and '253 Patents; and

4. This order may be subject to reconsideration, in whole or in part, at any time, if on the application of any party or other interested person it is shown that the interest of the public in access to the above information outweighs the need to seal the above documents.
5. Both parties who ask the court to place critical parts of this file under seal should understand that doing so hampers this court's ability to review all relevant parts of the file in ruling on the pending motions, and may also affect the ability of the court of appeals to review on appeal any decision of this court.
